Mercury * Uranus	sextile	3.9° (3.9174°)
Neptune * Pluto	sextile	4.1° (4.0979°)

Your strengths

Key patterns to study: Sun ♂ Pluto — соединение (orb 0.5°); Jupiter △ Uranus — трин (orb 1.7°); Mars * Saturn — секстиль (orb 2.3°); Jupiter △ Saturn — трин (orb 3.8°); Mercury * Uranus — секстиль (orb 3.9°). Supportive placements: Jupiter in Aries, 22.6°, retrograde; Saturn in Sagittarius, 18.8°; Mars in Libra, 16.5°.

Give each resource a concrete expression this week: name where it already works and choose the next level it needs.

Life areas: planets by houses

Focus areas: House 2 is unavailable without confirmed birth time and coordinates; House 6 is unavailable without confirmed birth time and coordinates; House 10 is unavailable without confirmed birth time and coordinates. Planets by house: Sun in Scorpio, 10.4°; Moon in Aries, 11.2°; Mercury in Libra, 28.2°, retrograde; Venus in Scorpio, 29.3°; Mars in Libra, 16.5°; Jupiter in Aries, 22.6°, retrograde.

Houses are meaningful only when birth time and coordinates are confirmed. In date-only mode, use sign placements instead.

Money and work

Resource areas: House 2 is unavailable without confirmed birth time and coordinates; House 6 is unavailable without confirmed birth time and coordinates; House 10 is unavailable without confirmed birth time and coordinates. Growth and discipline themes: Jupiter in Aries, 22.6°, retrograde; Saturn in Sagittarius, 18.8°.

Translate these resource themes into a budget, a measured experiment or a clear conversation about value; for high-stakes decisions, pair the reading with qualified professional advice.

Love and closeness

Venus in Scorpio, 29.3°. This placement shapes your values, pleasure and instinct for reciprocity. Moon in Aries, 11.2° maps the conditions that help you feel safe and present in closeness.

House 7 is unavailable without confirmed birth time and coordinates. Turn this relationship pattern into one clear agreement with a partner.

Destiny Matrix: purpose

Личный аркан (характер): 3 — Императрица.

изобилие, творчество, женская сила.;

Духовный аркан: 11 — Сила. мягкая сила,

укрощение страстей.; Родовая линия: 7 —

Колесница. движение, победа, контроль пути.;

Линия предназначения: 21 — Мир.

целостность, завершение большого цикла.;

Линия денег: 10 — Колесо Фортуны.

судьбоносные повороты, удача.

Love line and money line

Love line: 6 — Влюблённые.

Money line: 10 — Колесо Фортуны.

This line maps the way connection and resources move through your choices; give it form through one concrete conversation and one measurable step.

How you make decisions

Name the question and separate facts from interpretation: Mercury in Libra, 28.2°, retrograde. Check your need for safety and recovery: Moon in Aries, 11.2°.

Run a small reversible experiment: Mars in Libra, 16.5°. Review the result using observable evidence.

Tasks and growth points

Within the tradition, the lunar-node axis is Rahu (North Node) in Aries, 2.0°, retrograde and Ketu (South Node) in Libra, 2.0°, retrograde.

Boundaries and practice: Saturn in Sagittarius, 18.8°; patterns to examine: Sun ♂ Pluto — соединение (orb 0.5°); Jupiter △ Uranus — трин (orb 1.7°); Mars * Saturn — секстиль (orb 2.3°); Jupiter △ Saturn — трин (orb 3.8°); Mercury * Uranus — секстиль (orb 3.9°).

The lunar-node axis names the pattern you know well and the strength you are learning to claim next; give it one concrete expression this week.

The year ahead

The year section is a twelve-month map of the chart's central themes and the rhythm that supports your next move. Natal anchors: Sun in Scorpio, 10.4°; Saturn in Sagittarius, 18.8°; Jupiter in Aries, 22.6°, retrograde.

Choose one theme for a month, record the starting point and assess change through facts rather than coincidences.
