Who you are in your chart

Sun in Gemini, 29.8°, house 9. This placement defines the style of self-expression and the intentions that keep you steady. Moon in Gemini, 10.8°, house 8 maps your needs, emotional rhythm and recovery.

Ascendant in Libra — 17.3°, when birth time and place are confirmed. It is the way your presence enters a situation.

Life areas: planets by houses

Focus areas: House 2 in Scorpio (12.3°); House 6 in Pisces (26.9°); House 10 in Cancer (24.1°).

Planets by house: Sun in Gemini, 29.8°, house 9; Moon in Gemini, 10.8°, house 8; Mercury in Gemini, 16.7°, house 9; Venus in Taurus, 25.8°, house 8; Mars in Aries, 15.3°, house 6; Jupiter in Cancer, 17.2°, house 9.

Houses are meaningful only when birth time and coordinates are confirmed. In date-only mode, use sign placements instead.

Your strengths

Key patterns to study: Jupiter □ Ascendant — квадрат (orb 0.1°); Saturn ♂ Midheaven — оппозиция (orb 0.4°); Mercury △ Ascendant — трин (orb 0.6°); Mercury * Mars — секстиль (orb 1.4°); Venus * Midheaven — секстиль (orb 1.7°). Supportive placements: Jupiter in Cancer, 17.2°, house 9; Saturn in Capricorn, 23.7°, house 3, retrograde; Mars in Aries, 15.3°, house 6.

Give each resource a concrete expression this week: name where it already works and choose the next level it needs.

Love and closeness

Venus in Taurus, 25.8°, house 8. This placement shapes your values, pleasure and instinct for reciprocity. Moon in Gemini, 10.8°, house 8 maps the conditions that help you feel safe and present in closeness.

House 7 in Aries (17.3°). Turn this relationship pattern into one clear agreement with a partner.

Money and work

Resource areas: House 2 in Scorpio (12.3°); House 6 in Pisces (26.9°); House 10 in Cancer (24.1°). Growth and discipline themes: Jupiter in Cancer, 17.2°, house 9; Saturn in Capricorn, 23.7°, house 3, retrograde.

Translate these resource themes into a budget, a measured experiment or a clear conversation about value; for high-stakes decisions, pair the reading with qualified professional advice.

Love line and money line

Love line: 4 — Император.

Money line: 11 — Сила.

This line maps the way connection and resources move through your choices; give it form through one concrete conversation and one measurable step.

Destiny Matrix: purpose

Личный аркан (характер): 21 — Мир. целостность, завершение большого цикла.; Духовный аркан: 6 — Влюблённые. выбор сердца, союзы, гармония.; Родовая линия: 19 — Солнце. радость, успех, признание.; Линия предназначения: 10 — Колесо Фортуны. судьбоносные повороты, удача.; Центр матрицы: 11 — Сила. мягкая сила, укрощение страстей.; Линия любви: 4 — Император. структура, порядок, лидерство.; Линия денег: 11 — Сила. мягкая сила, укрощение страстей.

Tasks and growth points

Within the tradition, the lunar-node axis is Rahu (North Node) in Aquarius, 7.8°, house 4, retrograde and Ketu (South Node) in Leo, 7.8°, house 10, retrograde. Boundaries and practice: Saturn in Capricorn, 23.7°, house 3, retrograde; patterns to examine: Jupiter ☐ Ascendant — квадрат (orb 0.1°); Saturn ☿ Midheaven — оппозиция (orb 0.4°); Mercury △ Ascendant — трин (orb 0.6°); Mercury * Mars — секстиль (orb 1.4°); Venus * Midheaven — секстиль (orb 1.7°).

The lunar-node axis names the pattern you know well and the strength you are learning to claim next; give it one concrete expression this week.

How you make decisions

Name the question and separate facts from interpretation: Mercury in Gemini, 16.7°, house 9. Check your need for safety and recovery: Moon in Gemini, 10.8°, house 8.

Run a small reversible experiment: Mars in Aries, 15.3°, house 6. Review the result using observable evidence.

The year ahead

The year section is a twelve-month map of the chart's central themes and the rhythm that supports your next move. Natal anchors: Sun in Gemini, 29.8°, house 9; Saturn in Capricorn, 23.7°, house 3, retrograde; Jupiter in Cancer, 17.2°, house 9.

Choose one theme for a month, record the starting point and assess change through facts rather than coincidences.
